Editor: Sarah Williams mrssarahwilliams@hotmail.co.uk (01782 302310)

Items for inclusion in the next E-news to Sarah before 9am Thursday, **July 4th** please.

Make it a habit to visit our **WEBSITE** www.theadleu3a.org. It contains a calendar of events, information on activities, how to contact committee members, group leaders and much, **much** more.....

Help to keep our "hard copy" members up to date - be a "buddy". **SHARE** this information with a friend or neighbour if you know they are not on the internet. Why not drop them off a copy next time you pass so that as many members as possible receive this information update.

We encourage you to use the **online PDF** file to print out a copy as this ensures the format remains accurate. You can click on the link at the top of this page to obtain a PDF copy of this e-News from our website!

LINKS Look out for the (**Doclink**) click spots. Please send me **photos** of group activities with a short description of the event to insert in our (**Photolink**) click spots and (with your permission) to submit to the **LOCAL NEWSPAPERS**. We need to keep potential members aware that we exist and inform them of what we have on offer.

ABSOLUTE BEGINNERS AND TOP-UP COMPUTER CLASSES - (*Webpage*) - Heather and Geoff Howard

We have had some queries about the extent of our lessons. The Absolute Beginner course lasts about 10 or 12 weeks depending on the time of year, and we take 3 courses a year. In the course we aim to get the students using their computers safely, sending emails and visiting the Internet. The Top-up group follows much the same times, and in this group we build on the skills that the students have already acquired. We aim to make the courses as informative as possible, but we also have a lot of fun while we learn. **Contact: Heather 01538 750139.**
